Little Naasir-e-Mehdi Costume Competition

Organized the Little **Naasir-e-Mehdi (atfs) Costume Competition**, where young children participated with great enthusiasm. Dressed in creative and meaningful costumes, each child represented a role they hope to play in the service of **Imam-e-Zamana (a.t.f.s.)** in the future.

The event was not only filled with joy & excitement, but it also gave children a chance to express their love, loyalty, & readiness to support the Imam when the time comes. It was a beautiful way to instill values of faith, responsibility, & purpose in the hearts of the next generation.

2 Annual Volunteer Summit

With great enthusiasm, we hosted the Volunteer Leadership Retreat, an impactful overnight gathering that brought together over committed volunteers from various departments. The retreat served as a platform to strengthen collaboration, align goals, share progress, & address challenges as a unified team.

It fostered a sense of belonging, motivation, and shared purpose, ensuring that every member was informed and inspired to contribute meaningfully.

This collective experience not only reinforced our commitment to the movement's mission but also laid a strong foundation for greater achievements ahead.

◆ Residential Excellence (Boys)

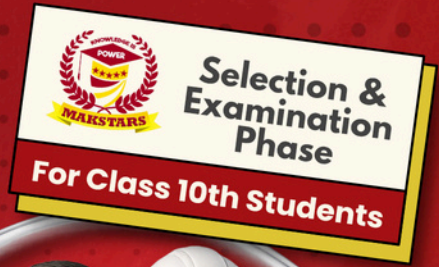

Top-performing male candidates were shortlisted for relocation to the Makstars Hostel in Mumbai, where they will receive full-time residential academic support.

◆ Multi-Stage Selection

Beyond the written test, we initiated the secondary selection phase, which includes video interviews and parental consultations to ensure a holistic fit for our residential program.

◆ Empowering Girls (Scholarships)

We finalized the selection criteria for five exceptional female students to receive a ₹1,00,000 scholarship each. This grant supports two years of study from their home locations, ensuring geographical barriers do not hinder academic excellence.

JEE/NEET Aspirants

Building on the success of the October exams, we are currently laying the groundwork to expand our selection process to include specialized coaching for CLAT and the CA Foundation (CPT) in future cycles.
